## Social Impact of a TV Show

By Ahmed Ashraf

Question: Does the Popularity of A TV Show Affect the Number of Newborns each year named similarly to The characters from The Show?

### WHY?

- It can indicate social progress
- It is Indicative of greater or lesser social acceptance certain groups/ideologies
  - Same for certain behaviors exhibited by the characters in the show
- It may also show greater or lesser appreciation of certain qualities, actions or agendas shown or persuaded by the characters
